

Come work as an Assembly Technician at a growing company that offers great benefits with opportunities to advance and learn alongside accomplished business leaders ... Become a part of our team!

Get to Know Us

Flux Power is a fast-paced, high-growth (40% YoY), publicly traded company (NASDAQ: FLUX) that is leading the adoption of lithium-ion technology solutions. We design, manufacture, and sell advanced lithium-ion battery packs that are disrupting the 100+ year old market for lead acid batteries. Our battery packs are used to power industrial and commercial equipment like forklifts and airport ground support equipment, as well as new applications like solar-powered EV charging stations.

About the Role

We are looking for 2nd Shift Assembly Technicians. Our technicians need electro-mechanical skills to be able to build assemblies, sub-assemblies, and be able to work with hand and power tools.

What you Will be Doing

- Assemble parts or units, and position, align, and fasten units to assemblies, subassemblies, or frames, using hand tools and power tools
- Fasten cables and wiring
- Perform basic functional test of completed assembly
- Maintain assembly production record
- Perform routine daily cleanup
- Other duties as required.

What you Will Need

- HS Diploma, GED, or equivalent work experience
- Lite manufacturing assembly
- Knowledge of hand and power tools used in assembly
- Training in maintenance, repair, machinery operation, assembly, etc. a strong plus
- Self-starter and ability to suggest solutions when problems arise

Physical Conditions/Requirements

- Job frequently requires sitting and handling objects with hands
- Job requires standing, walking, bending, reaching, talking, hearing, and occasionally lifting up to 50 pounds
- Vision requirements: Ability to see information in print

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.

What Can We Offer You for All Your Hard Work?

Benefits (Eligible once converted from temporary to a full-time Flux employee)

- Medical, dental and vision insurance options
- 401K Plan with company match
- Life Insurance
- Paid Time Off
- Paid Holidays

COVID-19 Precaution(s)

- Personal protective equipment provided or required
- Sanitizing, disinfecting, and cleaning procedures in place

We are committed to a safe, drug-free workplace by performing pre-employment background checks and substance testing.

Notes

- No recruiters, contractors, or consultants, please.
- No relocation assistance or visa sponsorships available for this position.
