

Come work as an Assembly Technician I at a growing company that offers great benefits with opportunities to advance and learn alongside accomplished business leaders ... Become a part of our team!

Get to Know Us

Flux Power develops advanced lithium-ion batteries for industrial uses. Flux Power solutions utilize its proprietary battery management system (BMS) and in-house engineering and product design. Flux Power batteries deliver improved performance, extended cycle life and lower total cost of ownership than legacy lead-acid solutions. Flux Power sells primarily to equipment OEMs, their dealers and battery distributors. Current products include advanced battery packs for motive power in forklift equipment, stationary power for solar storage, and airport ground support markets.

About the Role

We are looking for Assembly Technicians I who enjoy a fast-paced work environment. We are growing and need to add good Assemblers to our team.

- Assemble parts or units, position, align, and fasten units to assemblies, sub-assemblies, or frames.
- Use of hand and power tools such as torque wrenches, screwdriver, allen wrench, and voltage meter.
- All prep work for battery production - cutting material by hand, cleaning cell terminals, mixing and shoveling ballast weight.
- Fasten cables and wiring.
- Ability to adjust to other duties, responsibilities and activities that may be changed or assigned as needed with or without notice

What you Will Need

- HS Diploma, GED, or equivalent work experience.
- Lite manufacturing assembly
- Knowledge of hand and power tools used in assembly
- Self-starter and ability to suggest solutions when problems arise.

Other Duties

Please note this job description is not designed to cover or contain a comprehensive listing of activities, duties or responsibilities that are required of the employee for this job. Duties, responsibilities, and activities may change at any time with or without notice.

What Can We Offer You for All Your Hard Work?

Benefits

- Medical, dental and vision insurance options
- 401K Plan with company match
- Life Insurance
- Paid Time Off
- Paid Holidays

COVID-19 Precaution(s)

- Remote interview process
- Personal protective equipment provided or required
- Temperature screenings
- Social distancing guidelines in place
- Virtual meetings
- Sanitizing, disinfecting, and cleaning procedures in place

We are committed to a safe, drug-free workplace by performing pre-employment background checks and substance testing.
