

Come work as an Inventory Technician at a growing company that offers great benefits with opportunities to advance and learn alongside accomplished business leaders ... Become a part of our team!

Get to Know Us

Flux Power develops advanced lithium-ion batteries for industrial uses. Flux Power solutions utilize its proprietary battery management system (BMS) and in-house engineering and product design. Flux Power batteries deliver improved performance, extended cycle life and lower total cost of ownership than legacy lead-acid solutions. Flux Power sells primarily to equipment OEMs, their dealers and battery distributors. Current products include advanced battery packs for motive power in forklift equipment, stationary power for solar storage, and airport ground support markets.
